RETREAT INFORMATION

2012 Retreat Objectives

Our Catholic Retreats for Engaged Couples are designed by experts in the fields of marriage and family life and in collaboration with the Prepare & Enrich Program. The Prepare & Enrich Program blends years of research on what makes happy and fulfilling marriages with practical ways of living out our Catholic / Christian faith.

We believe Christian marriage is a sacred vocation to be lived seriously and deliberately by couples.

Our retreats honor this belief. In our time together we will examine and reflect upon your choice to marry in the Church and how you may better begin your lives together with trust, faith, hope and conviction.
